

Party Girl (DWN 114) Jim Buckingham

OPENER - MIDDLE BREAK - CLOSER

Grand Square

Dance your last dance

Party girl party girl

Have yourself a time

Party girl

Allemande left and weave

Cause when the party's through

I've plans for you

Swing and promenade

So just dance, your last dance

Party girl

FIGURE

Heads square thru four hands you go

And to the corner do a dosado

Swing thru and then, boys run right

Bend the line and do a right and left thru

You pass the ocean here recycle and then

You swing and you promenade

You gonna trade those dancing shoes

For apron strings and things

TAG

So just dance, your last dance, party girl
